Please note that referee fees for provincial competitions will be issued within 6 weeks after the end of the competition. Payments will be made only by Electronic Funds Transfer (EFT), and if you are not already set up for this you will be contacted by our accounting department when payments are scheduled.

See next page for assignment process used for Provincial competitions.

Each year, various Alberta Soccer districts host outdoor and indoor provincial competitions requiring referee services. Invitations to officiate at Provincials are intended to reward those who consistently show strong performance, both on and off the field. The process is shown below.

Note – for Tier 1 youth competitions leading to Nationals and senior competitions leading to nationals, the Referee Development Committee Assignor will act as Referee in Chief.
